

Say hello to CLEAR.

Super fast mobile internet that works as fast on the go as it does at home. Using 4G WiMAX technology, CLEAR gives you the full internet experience — all over town. We're talking miles, not feet.

CLEAR delivers average download speeds of 3Mbps to 6Mbps, with bursts up to 10Mbps, so you can stream TV shows in the park, download songs on the bus, send photos from the train — or do whatever the internet means to you — anywhere in CLEAR coverage.

Setup is so easy that in the time it's taking you to read about CLEAR, you could already be using it.

Welcome to CLEAR.
