## HughesNet Delivers the Fastest Speeds for a **BETTER ONLINE EXPERIENCE!**

\*\*When you connect to the Internet using HughesNet, the upload and download speeds you experience will vary based on a variety of factors including the configuration of your computer, the number of concurrent users, network or Internet congestion, the speed of the Websites you are accessing, and other factors. Stated speeds and uninterrupted use of service are not guaranteed. During peak hours, actual upload and download speeds will likely be lower than speeds indicated.
